

December 2025

Dear Member

MEMBER TRUSTEE ELECTION 2025

The process of collecting names of candidates (nominees) willing and eligible to stand for election as Member Trustees on the Transmed Medical Fund Board of Trustees has been completed.

The voting phase of the election process is now underway.

Voting is not only your right, but also your responsibility. It is an opportunity that is created every five years to allow you to choose the people you think are suitable to represent you, as the principal members, on the Transmed Board of Trustees and to undertake the important responsibilities this involves.

We encourage you to participate in the election to assist the Fund in appointing the six (6) Member Trustees.

You must be a principal member of Transmed Medical Fund in order to be eligible to vote.

Only principal members may vote. Spouses, children or any other dependants are not allowed to vote.

How to vote

Member Trustees are entitled to a total of six (6) seats on the Board of Trustees. You may vote for up to a maximum of six (6) candidates of your choice out of the candidates listed on the ballot paper.

The names of all candidates who are standing for election as Member Trustees appear on the ballot paper.

Note! The names on the ballot paper appear in alphabetical order and not according to who received the most nominations.

The six (6) candidates who receive the highest number of votes will become the Member Trustees.

Yours faithfully

PETRUS WASSERMANN
PRINCIPAL OFFICER
